## Relevant deals for you

When you are using Dealsuite to find deals, you have the possibility to filter on deals that are the most relevant for you and your criteria. With our multi-level filters you can narrow your search down to deals in specific geographical locations, sectors, revenue, and much more. This way you will only see the deals that you are interested in and you will spend less time on finding your next deal!

- ✔ Create and save your searches for easy access
- ✔ 100% relevant deals
- ✔ Save time and effort

## One platform for all deals

Our extensive network consists of 1,500+ firms spread all over Europe. We have new deals added daily to the platform, and as a searcher you will receive daily new dealflow of projects suitable for you and your investment criteria. Did you find an interesting company? Contact your advisor at Gerald Edelman who has access to the teaser and the contact details of the seller at the listed company.

- ✔ Gain cost-effective access to monthly relevant dealflow through Dealsuite's proprietary platform
- ✔ Benefit from the credibility and expertise associated with Gerald Edelman's endorsement alongside their buy-side advice
- ✔ One source of deals delivered from the UK and rest of Europe
- ✔ Europe's largest closed network of M&A advisors, creating easier routes for engagement with sellers
- ✔ Cancel your membership any time
